Also included

One system, your own space

Sales, people, money and documents in one place, in the cloud, from any computer or phone. Your company only ever sees its own data.

Everyone sees only their part

Ready-made roles (Admin, Helpdesk, Website, Forms read-only, Customer, Employee) and your own: each login sees only the menus and buttons its role allows.

Secure sign-in

Two-step verification, lockout after wrong passwords, alerts on new computers and optional office-network restriction.

Your website included

Edit your pages, menus, gallery and portfolio yourself, or import the site you already have.

Forms that work for you

Contact forms, complaints books and surveys on your website; every submission numbered, readable, printable and marked as attended.

Email Office

The company mailbox inside Murano: emails linked to customers, bills and payments read automatically.

Helpdesk

Customer requests become tickets with a number, an owner and a history — nothing gets lost.

Accounting that fills itself

Sales, purchases, payments and payroll post to your chart of accounts; profit and loss and balance sheet at any time.

Your team in order

Employees with their login, attendance, leaves, contracts and weekly payroll by hours or commission.

Customer portal

Your customers see their invoices, payments, appointments and tickets, and pay online.
